PREVENTING VIOLENCE AGAINST WOMEN

What is it worth to us, to ensure women and girls in our churches are equally safe, valued and heard?

Recent findings from The National Family Violence Research Project highlight the crucial need for continued action in our church community to prevent violence against women. **CLICK HERE** to view a short film (less than 10 mins) in which from the Anglican Diocese of Melbourne talk about the progress we are making and the part we all play as Christians in taking steps towards our vision of a future in which women and girls can live free from violence and free from the fear of violence.

GOSPEL OF THE DAY -Mark 12.38-44

As he taught, he said, 'Beware of the scribes, who like to walk around in long robes, and to be greeted with respect in the market-places, and to have the best seats in the synagogues and places of honour at banquets! They devour widows' houses and for the sake of appearance say long prayers. They will receive the greater condemnation.' He sat down opposite the treasury, and watched the crowd putting money into the treasury. Many rich people put in large sums. A poor widow came and put in two small copper coins, which are worth a penny. Then he called his disciples and said to them, 'Truly I tell you, this poor widow has put in more than all those who are contributing to the treasury. For all of them have contributed out of their abundance; but she out of her poverty has put in everything she had, all she had to live on.'

grant that we may so hear them, read, mark, learn and inwardly digest them, that, by patience and the comfort of your holy word, we may embrace and ever hold fast the blessed hope of everlasting life, which you have given us in our Saviour Jesus Christ. **Amen.**
