ALL OUR LITURGIES, UNTIL JUNE, ARE IN ST JAMES CHURCH IN POINT LONSDALE DUE TO ST GEORGE'S BEING CLOSED FOR THE RESTORATION WORK.

Dear people of St George's and St James',

As the dust settles after the election, with all the argumentation and concern about particular policies, let us not forget the unique influence which great individual personalities can make on world affairs. One such was Pope John XXIII who "reigned" from 1958 to 1963.

Some words about him, from Paul Johnson's biography:

"It is important to grasp that John was a product both of experience and of self-experience ... there was the inner struggle, reflected in his diary... without being in any way neurotically introspective, John had a lifetime's habit of looking at himself steadily; he learned to be honest with himself. He did not, except in a notional sense, seek perfection: what he tried to do was to build on his natural qualities and emerge, year by year, a better and more useful person. He tried to curb his ebullience without killing it; to achieve a state of calm which was not soporific, but reflective and therefore creative."

John XXIII remains a great prophet of Christian unity and openness to the world.

GOSPEL OF THE DAY John 5.1-9

1 After this there was a festival of the Jews, and Jesus went up to Jerusalem. 2 Now in Jerusalem by the Sheep Gate there is a pool, called in Hebrew Beth-zatha, which has five porticoes. 3 In these lay many invalids—blind, lame, and paralysed. 5 One man was there who had been ill for thirty-eight years. 6 When Jesus saw him lying there and knew that he had been there a long time, he said to him, 'Do you want to be made well?' 7 The sick man answered him, 'Sir, I have no one to put me into the pool when the water is stirred up; and while I am making my way, someone else steps down ahead of me.' 8 Jesus said to him, 'Stand up, take your mat and walk.' 9 At once the man was made well, and he took up his mat and began to walk. Now that day was a sabbath.
