

## QUESTIONNAIRE

The purpose of this Questionnaire is to receive feedback from our Parishioners about what is important to you about life in the Parish and attending church. You just need to tick the appropriate box. Please add comments if you wish to add anything more. Parish Council is having to put together a Profile on our Parish for the Incumbency Committee and any prospective Priests. Your answers will give us a greater insight into what the needs of the Parishioners are moving forward. We are not asking for your name.

We have also added a page on Rosters asking what, if any, duty you would be happy to do, and how often. We respect that some of you prefer to just attend church and that many of you have already done many years of service. There is no expectation that you have to be on the roster.
